

# INTERNATIONAL POSTGRADUATES

WIT recognises the special needs of its international student community.

The International Office at WIT provides the following services:

- Advice on all visa related matters and study permits.
- Pre-arrival information and advice about accommodation, travel etc.
- Telephone contact and support for emergencies
- Meeting and greeting students arriving in Ireland for the first time
- An induction programme to familiarise students with basic life skills for the new environment.
- A special social programme to help new international students integrate and make friends.
- English language support when required
- Acting as an advocate for students who encounter problems or difficulties, academic or personal.

E-mail: [international@wit.ie](mailto:international@wit.ie)  
Telephone: +353 51 306124

## How to apply:

- Non-EU applicants should first submit a general international application form to the International Admissions Office.
- This will enable the Institute to guide them about the feasibility of making a full postgraduate application.
- International applications should be submitted in March of the year of intended entry.

"I want to highlight the enormous role of the International Office towards the well being of international students. From my personal experiences, the International Office has been most accommodating, considerate and professional. It is providing excellent services to the international students regardless of nationality and ethnic background. I am sure that International office will continue to deliver the outstanding services under dynamic and enduring leadership."

Maqsood Mustaq, Software Engineer, Unified Communications, Cisco Systems Internetworking (Ireland) Limited and Former WIT International Computing Student
