

Waterford Institute *of* Technology

WIT Professional Doctorate in Business Administration (DBA)

WIT School of Business

The Graduate Business Department at Waterford Institute of Technology has provided individuals across the South East with the knowledge and the skills to innovate, change and excel. Designed for the thinking professional, we have a variety of cutting edge courses specifically focused across a broad range of disciplines to maximise your potential within any industry.

Our new taught Doctorate in Business Administration (DBA) is aimed at mid-career individuals who have already established themselves as business leaders or are on track to being appointed to executive positions and are supported in their academic ambition by their employing organisation.

To learn more about the DBA, contact us to make an appointment for one of the following locations:

February 24th	Tower Hotel, Waterford
February 25th	Whites Hotel, Wexford
March 4th	Cliff House Hotel, Ardmore
March 10th	Fota Island Resort Hotel
March 11th	Hotel Kilkenny
